

Emergency Landings

This presentation will cover the fundamentals of emergency landings under several different scenarios. The discussion will include psychological considerations, dynamics of a crash, and standard emergency procedures.

Directions: Located at the south end of the airport near the self-serve fuel farm.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
